

BINGO- MOVE & LIVE OUR VALUES

Sustainable	Flexible	Be Relevant	Integrity	Business Acumen
 Take the stairs	 Choose your activity (take 5 minutes for movement or mindfulness in your preferred way)	 Walk with someone	 Take your break (take a break when you need it)	 Walk & Think (take a walk while working on a problem you need to solve)
 Green Walk (walk outside)	 Desk stretch (do three different stretch exercises)	 Check in with someone ("How are you doing today – really?")	 Disconnect (put your phone away during a break)	 Customer Mindset (consider what you can do today that creates value for a customer or a colleague)
 Active commute (walk or take the bike to work)	 Stand up (by your desk or during a meeting)	 Share a health tip	 Listen to your body (do something that makes you feel good)	 Focus and reset (Take 10 minutes without notifications or distractions and focus on one important task.)
 Stretch (use 5 minutes for a stretch)	 Change your routine (do something in a different way than you usually do)	 Look up (take a short break from the screen)	 Say no (say no to the elevator and choose the stairs)	 Ask & Learn (Ask a colleague for one tip or insight that could help you work smarter or create more value.)
 Walk and Talk (have a walking meeting)	 Change Your Spot (sit in a different spot than you usually to, with your computer or at lunch)	 Standing Coffee break (drink your coffee standing)	 Give Credit (give a colleague feedback for something they did well)	 Share an Idea (Share one idea that could make something easier, better or smarter.)

Complete activities connected to our five values, get moving, have some fun and discover small ways to bring more movement and wellbeing into your everyday life.
